

The Flagship School Principal's Newsletter

June 2021
Issue 1

Welcome

I am so pleased to be writing this very first newsletter to you all and would like to welcome new families to our community.

Stephanie Salter, Principal

News

- We are all excited about the school opening and are busy getting all aspects of the building, curriculum and staffing ready for you
- Our Uniform is about to go up on the Superstitch website and we will publish the full details on our school website too.
- The Broadband is being connected soon onsite and the work on the temporary building is about to start
- Transition letters are going out to current schools so that meetings can be set up with Stephanie.

Getting to know you meeting

We would like to hold an afternoon event soon so that parents/carers and pupils can meet us and each other before September. This would be a relaxed, drop in event, held outside, perhaps in a local park. We would have some activities to take part in. As soon as we have a date, we will let you know but if you have any thoughts on a suitable place, please email the office.

*"Before we can
engage in social
learning and
behaviour, we must
first feel safe."
Steven Porges 2015*

Social Media

We are on Facebook and Twitter, so please do head over to our pages and like or follow us for more news and events.

Upcoming Events

- Our next online open evening is taking place on Tuesday 8 June at 7pm.
- If you would like to attend please email the office on office@theflagshipschool.org.uk
- We would love to see you there.

The Flagship Community

We hope that some of you might like to set up a parent group with me and have regular meetings. I will wait a little longer until we have all had our first social 'get to know you' event and then arrange a regular meet up.

We're always happy to hear from you, so please get in touch if you have any questions or thoughts on the school.
